

TOGETHER...

shaping the future of leadership!

For the first time, we are inviting a select few trusted organizations to sponsor the **Trusted Leader Summit** at the JW Marriott–MOA November 7-9, 2023. Your sponsorship partners your brand with a premium event experience and amplifies the message that trust matters more than ever.

Who will be there?

Senior leaders from all over the world will gather to hear from world-class practitioners and thought leaders on how TRUST is critical for success! We're expecting over 500 CEOs, CHROs, military leaders, university presidents, and other decision-makers to be present.

Expect excellence.

We promise that every sponsor of the **Trusted Leader Summit** will be represented in a sophisticated and professional manner. Sponsors will be seen as trustworthy partners who align themselves with real and lasting solutions! Past attendees have called the **Trusted Leader Summit** "the best leadership conference I have attended"!

Sponsorship allows you to:

- ✓ EXPOSE your brand to hundreds of senior leaders around the globe
- ✓ ALIGN with high-trust messaging at a premium event
- ✓ GROW your network of other impactful leaders

Plus, sponsorship includes registration fees for SIX of your senior leaders.
